

Corsair Dash 750 'Nitric' 2011 - £48,000 (VAT Paid)

24ft Ian Farrier designed Folding Trimaran with cabin, suitable for cruising, racing, 'week-ending' and towing.

Moored on the Isle of Wight, kept ashore each winter.

One owner from new.

Regularly cruised to France and the Channel Islands.

Easy to sail single handed.

2018 MOCRA National Champion. Regularly in the top 3.

2016, 2nd in the Round the Island Race.

Itinerary:

Harken hardware, aluminium mast and bowsprit, timber tiller, short carbon and long aluminium tiller extension. Timber table, interior cushions, cooker and sink module, solar panel, Nasa instruments, depth,

speed electronic compass. Garmin chart plotter and swivel mount. Fixed VHF with mast mounted aerial. Simrad tiller-pilot auto helm.

Sails:

Banks made sails: Racing main, jib, asymmetric spinnaker, screacher (code 0) with Bartel furler. Full size cruising main, small cruising main, full size jib, small jib, asymmetric spinnaker with snuffer.

Outboard Engine: 5HP Tohatsu long shaft sail drive.

Fortress anchor and warp with chain, fenders, bilge pump.

Mast cradle and raising gear.

2 Wheel road legal trailer with security lock.

Happy for it to be viewed at any time and can

bring it to Portsmouth/Southampton/Lymington to be viewed if required. (May to October)
